What have the auditors said?

Audit of the accounts: Broxbourne

Accounts year	Status recorded by PSAA	Opinion signed
2025-26	Unsigned	Not yet
2024-25	Delivered by backstop	26 February 2026

"Delivered by backstop" means the auditor gave an opinion by the statutory backstop date. Many opinions given that way were disclaimed or qualified because the deadline cut the audit short; PSAA publishes which type of opinion each council received only as national totals, so it is not shown here. Auditors' value-for-money findings are in each auditor's annual report on the council's website.

What are senior staff and councillors paid?

Senior pay and councillor allowances for Broxbourne have not yet been read from its statement of accounts. There is no central dataset of either; they are being added council by council, each with a link to the page of the accounts it comes from.

Hertfordshire County Council runs children's services, adult social care and most roads here, so those rows are the county council's. Inspections happen at different times, so a rating can be several years old; the date is shown with each. Planning figures are measured differently in each nation: share of decisions made within the statutory time (13 weeks for major, 8 for non-major) or an agreed extension, over 24 months. Recycling rates are measured differently in England, Scotland and Wales, so compare within a nation.

What this data does and doesn't show

- These are each body's own figures, as reported to government in its revenue outturn return. Net spending is after the fees, charges and grants a service brings in.
- Your bill is for 2026-27; it is shared out using the latest published return, which covers an earlier year. The mix of spending changes little from one year to the next, but it does change.
- Council tax is not ring-fenced: this shows your bill in proportion to spending, not what your money bought. Where a precept is set aside for adult social care, it is shown against adult social care.
- No council publishes spending at street or property level, so nothing here says what was spent near you.
- Sub-service lines are the ones the national returns itemise. Councils describe their own budgets differently; their budget books and statements of accounts have more detail.
