Borrowing is total outstanding loans of every kind; councils borrow mainly to pay for buildings, roads and housing, and the figure does not show what the borrowing was for.

## What have the auditors said?

**Audit of the accounts: South Gloucestershire**

|---|---|---|
| **2025-26** | Unsigned | Not yet |
| **2024-25** | Delivered by backstop | 18 February 2026 |

"Delivered by backstop" means the auditor gave an opinion by the statutory backstop date. Many opinions given that way were disclaimed or qualified because the deadline cut the audit short; PSAA publishes which type of opinion each council received only as national totals, so it is not shown here. Auditors' value-for-money findings are in each auditor's annual report on the council's website.

Inspections happen at different times, so a rating can be several years old; the date is shown with each. Planning figures are measured differently in each nation: share of decisions made within the statutory time (13 weeks for major, 8 for non-major) or an agreed extension, over 24 months. Recycling rates are measured differently in England, Scotland and Wales, so compare within a nation.

## What it adds up to

South Gloucestershire: net spending per resident by service, 2025-26, against the median for unitary councils in England

| Service | Per resident | Median |
|---|---|---|
| Education | £742 | £712 |
| Adult social care | £537 | £478 |
| Children's social care | £210 | £309 |
| Environment and regulation | £126 | £110 |
| Roads and transport | £55 | £49 |
| Running the council | £49 | £52 |
| Public health | £41 | £65 |
| Parks, leisure, libraries and culture | £24 | £38 |
| Housing (not council homes) | £20 | £34 |
| Other services | £12 | £9.20 |
| Planning and development | £9.68 | £22 |

- South Gloucestershire spent **29.2%** of its gross service spending on its own staff in 2025-26 (median for unitary councils in England: 31.4%); the rest went on suppliers, contractors, grants, benefits and other running costs.

### What this data does and doesn't show

- These are each body's own figures, as reported to government in its revenue outturn return. Net spending is after the fees, charges and grants a service brings in.
- Your bill is for 2026-27; it is shared out using the latest published return, which covers an earlier year. The mix of spending changes little from one year to the next, but it does change.
- Council tax is not ring-fenced: this shows your bill in proportion to spending, not what your money bought. Where a precept is set aside for adult social care, it is shown against adult social care.
- No council publishes spending at street or property level, so nothing here says what was spent near you.
- Sub-service lines are the ones the national returns itemise. Councils describe their own budgets differently; their budget books and statements of accounts have more detail.

In proportion to spending, the largest line is adult social care, £875.68.
- **Is council tax ring-fenced for particular services?** No. Council tax is pooled with grants, business rates and fees. The adult social care precept is the exception: councils raise it for adult social care.

## What can South Gloucestershire UA spend a surplus on?

**On-street parking charges and all council parking penalty charges (England and Wales)**

Ring-fenced by law a ring-fenced parking account. A surplus may only be spent on parking, public transport, highway and environmental improvements and similar purposes; a deficit is made good from the general fund.

Road Traffic Regulation Act 1984, s55, as applied in England by SI 2022/71, regs 25 and 27

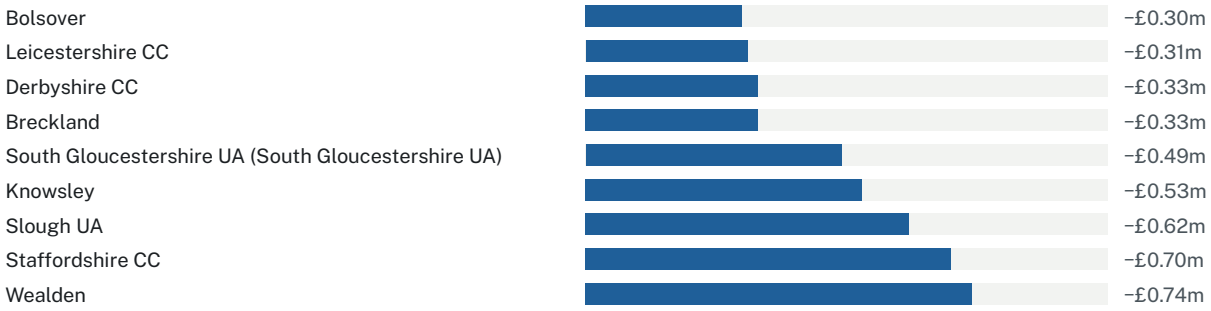

**Council car park (off-street) tariffs**

Kept by the body that collects it the council's general fund. Section 55 covers on-street parking and enforcement income, not car park fees. Not verified

Road Traffic Regulation Act 1984, s55(1), and DfT statutory guidance on civil parking enforcement
